Arup Design Programme

Student Application Form

Arup is the creative force at the heart of many of the world's most prominent projects in the built environment. Working in more than 140 countries, Arup's designers, engineers, architects, planners, consultants and technical specialists work with our clients on innovative projects of the highest quality and impact.

A creative, inspiring and engaging work experience programme, the 'Arup Design Programme', gives students insight into the day-to-day life of engineers, designers and consultants working within the built environment. This **one-week work experience programme** will include a range of practical activities centred around a fictitious design project taking place at Arup's **London** office: *"Designing a green and thriving London."*

Please type your responses or complete this form in block capitals.
Your application must not exceed **three sides of an A4**.
